Dear Joe:

I am writing to confirm the date for the game in Richmond. It is Monday July 29th.

I have just written Mike Lanerella, and told him to send you 200 cards COD. You should get them in a few days.

The game should draw good. The Eagles won the first half and The Stars finished second. So it should be a good attraction. I am enclosing you some publicity, and the lineup. Let me know if you want anything else.

Please arrange for rooms for the team the night of the 29th. There will be 20 men.

Now about the young pitcher, if his mother does not call, Abe can go to see her when he comes to Richmond for the game. I am sure she will let him go with Abe if not before. In the meantime if she phones, I will try and get her to let him come. The team leaves here for a western trip, July 18th, and won't be back until the 24th.

You have time enough to work on it and I do hope the Richmond fans will come out.

Let me hear from you if there is anything I can do.

Very Truly Yours
